

## Shop Hand

We are currently seeking a motivated and passionate individual to join our team as a Shop Hand full-time. Your role would consist of maintaining the shop and warehouse, assisting the shop manager, and ensuring that all our onsite machining equipment and tools are in top condition. Although this position is mainly in-shop, you may be required to transport equipment or tools to field crews periodically.

### Key Responsibilities

- General facility upkeep, maintenance, and organization
- Organize and clean machining equipment that returns from the field
- Inspect, maintain, and repair onsite machining equipment, shop tools, and vehicles
- Provide equipment support to onsite crews and help deliver or pick up supplies
- Assist with special projects and cover for other positions when staffing levels are low
- Provide support and assistance to the shop manager
- General labor duties as required

### Qualifications

- Prior experience as a shop hand, mechanic, millwright, or machinist
- Good knowledge of shop or industrial parts and equipment
- Mechanical aptitude and troubleshooting skills
- Strong attention to detail and must be able to listen to instructions carefully
- Ability to stand, climb, bend, and lift up to 100lbs for extended periods of time
- Forklift and overhead crane experience is considered an asset
- Self-motivated and able to work alone and as a member of a team
- High school diploma or higher

### Benefits

- Competitive compensation and benefits package
- Health spending account
- Ongoing mentorship and training opportunities to build technical skills
- Collaborative and supportive team environment
- Team building and social events

### How to Apply:

If you have the required qualifications and are interested in this position, we look forward to hearing from you! Please submit your resume, highlighting your relevant experience, to [Ryan@insitumachining.com](mailto:Ryan@insitumachining.com)
